

3.8kW Portable Air-conditioner & Dehumidifier

MODEL / IAP3800W

FEATURES

3.8kW Cooling Capacity
Dry/Dehumidifying function
25m² Application area
17–35°C Temperature range
Quiet operation
Auto Power-off function
Intelligent Temperature Sensor
Programmable On/Off timer

COOLING PROGRAMS

4 Cooling modes:
› Auto
› Cool
› Dry
› Fan

ACCESSORIES

Remote Control

PRODUCT DIMENSIONS

Packaged (w, d, h mm)
› 512 × 442 × 872mm
Physical (w, d, h mm)
› 467 × 397 × 765mm
Weight (Gross/Net)
› 36.9/31.8kg

REQUIREMENTS

Supplied with 10 amp plug
Rated voltage:
› 220-240V, 50Hz, 1Ph
Refrigerant
› R410A

EAN

9349260098848

Maintain control over the humidity levels in your home with the dehumidifying function—removing excess moisture from the air to help prevent mould, mildew, dust mites, and allergens.
